## POSTDOCTORAL FELLOWSHIP

Reference Form

Applicant's Name:

Title of Proposed Project:

Proposed Institution of Affiliation:

---

Name of Reference Provider:

Title/Institution:

Address:

E-mail:

Phone:

Fax:

---

Reference Provider:

The above individual is applying for a Postdoctoral Fellowship from the Korea Foundation for the proposed project for doctoral dissertation revision under an affiliation with the above institution. Your evaluation of the applicant will assist our selection committee in evaluating his/her application for a postdoctoral fellowship. Please attach to this form a letter of reference written on your letterhead in either English or Korean, which includes the following:

1. How long, how well, and in what capacity you have known the applicant;
2. In comparison with other students or scholars whom you have known at comparable stages of their careers, how you would rate the applicant's academic achievements and potential;  
☐ Among top 5% ☐ Outstanding ☐ Above average ☐ Average
3. Evaluation of the significance, scope and feasibility of the applicant's project;
4. Applicant's ability to complete the project, including methodological training, command of necessary perspectives and literature;
5. Contribution this project will make to relevant fields of study as well as the study of Korea;
6. Assessment of the feasibility of the proposed affiliation with the host institution;
7. Applicant's foreign language competency, if relevant;
8. Any further information that may be significant in regard to the applicant and the proposed project.

**Please return this form and the attached letter of reference directly to the Korea Foundation by January 31.**
