- B.

Application Instructions

Please observe the following instructions before beginning your application.

Form 1: Application Form

- Form 1 contains your personal information.

Graduate Applicants: Indicate the college or professional school and corresponding major.

Form 2: Personal Statement & Study Plan

Personal Statement

- This is an opportunity for you to convey the information about yourself and your accomplishments that could not be adequately expressed through other portions of the application.
- Include family background, academic achievements, extracurricular commitments and accomplishments, volunteer work, employment experience, and your reasons for applying to SNU. Other appropriate topics may include the following but not limited to: personal interests pastime activities, opinions on music, the arts, etc”.
- The Study plan should state your academic goals and career aspirations. You may include questions that you hope to answer through your program of study , and/or a timeline for your research plan to meet your objectives. It is advised that you review the requirements for the desired degree

Form 3: Recommendation

- Two letters of recommendation from professors or the head of your organization are required.
- Complete your part of this form and, along with a stamped and addressed envelope, supply them directly to two recommenders who know you well. Be sure to give them adequate time to complete the forms before the application deadline. Recommendations should be sealed in an official envelope and signed across the back by the recommenders.
- Recommenders should give us their appraisals of the contributions applicants made in their classes or academic fields. They are asked to give their personal impressions about your character, intellectual ability, aptitude in research, and the quality of your previous works and potential.

Form 4: Financial Certification

- Applicants must sign your name on document. The other necessary blanks are already filled out for the IEPP applicants.

Transcript, Graduation Certificates, Degree Certificates

- These documents, detailing your academic achievements, are required from every institution that you have attended (excluding the record from primary and secondary schools.)
- Transcripts must provide a record of the course(s) you have taken in each academic year along with the final grade(s). If an institution cannot provide a year-by-year record, the school official must at least provide us with a list of the disciplines you have studied (i.e.English, Biology, History, etc.) and a summary of your achievements in each.
- Please submit official transcripts as issued directly by the institutions you have attended. You must also submit the official evidence of the conferrals of all degrees, diplomas, or professional titles showing the date of the conferrals (month and year).

Proof of Language (Korean or English) Proficiency

- Applicants must satisfy at least one of the Language Proficiency requirements listed below.

A. Korean Proficiency

- Applicants should submit a score report of recognized Korean Proficiency Test
- : Test of Proficiency in Korean (TOPIK) level 3 or higher.

B. English Proficiency

- Applicants should submit a score report of recognized English Proficiency Test
- : TOEFL (PBT 550, CBT 213, iBT 80), TEPS 551, IELTS 5.5 or higher.
- University transcript(only for applicant who expect to graduate graduated from university in English-speaking country)

* We accept TOEFL and GRE scores sent directly from ETS to us. In case of an anticipated delay which makes the score report not arrive before the deadline, you may submit a photocopy of the Examinee's Score Report first during the document submissions period. It is, however, not a substitute for an official score report. The official ETS code of SNU is 7972. (cf. GRE: 1581)

- C. Other supporting documents which demonstrate appropriate English OR Korean language proficiency.**

NOTE Proof of language proficiency is required document only for International student admissions. After entrance language proficiency score is required separately, according to College/Department's regulations for qualifying examination to apply for thesis examination.
